JOB: All Jobs

GENERAL CONTRACTOR:

MASONRY CONTRACTOR:

ARCHITECT:

TO WHOM THIS CONCERNS:

This letter will certify that, at the time of shipment, Lehigh Portland Cement, Type I/II, complies with the standard chemical and physical requirements of the current ASTM C 150 for Type I and Type II, Standard Specification for Portland Cement. Type I/II cement also meets the 0.60 low alkali specification.

Yours Truly,

Jeffrey D. Hook

Quality Control Manager
